Dear Residents,

Welcome to CLS! It is no secret that our city has the best spots to watch the sunset, go fishing, launch your boat, enjoy a golf cart ride, and experience a unique way of living.

I am honored to serve as the Mayor of Clear Lake Shores. We have a strong, vibrant, and thriving community that makes our city the best place to raise a family, do business, and live.

We have maintained a strong mix of residential and commercial growth. From big retail stores and restaurants, to small specialty shops and waterfront venues, there's something for everyone in CLS.

Our police department, our strong municipal services, excellent schools, diverse businesses, and our unique way of living are all the things that have made and

continue to make the City of Clear Lake Shores such an ideal community to call home.

However, our continued success depends on our engagement with our residents. My promise to you is to be your voice on council, provide you with the best possible city services, ensure transparency and communication, and work together to preserve what we treasure about CLS while we continue to grow.

It is my honor and privilege to serve this city. If you're already a part of our community, thank you. If you're considering relocating your home or business to CLS, we can't wait to watch the sunsets with you. You won't be disappointed.

Sincerely,
Mayor Kurt

ABOUT CLEAR LAKE SHORES, THE YACHTING CAPITAL OF TEXAS

Clear Lake Shores, the Yachting Capital of Texas, is located in Galveston County within the Houston–Clear Lake–Galveston metropolitan area.

During the 1920s, developers began to sell properties around the Clear Lake estuary as waterfront recreational retreats. The new development was named Clear Lake Shores.

After World War II, the development grew with the installation of water facilities and the construction of more permanent residences. Clear Lake Shores incorporated on December 13, 1962, and reported a population of 671 in 1970. As of the 2020 census, the city population was 1,197.

Clear Lake Shores has its own police department and receives fire and rescue services from the Clear Lake Shores/Kemah Volunteer Fire Department. Clear Lake Shores is served by the Clear Creek Independent School District and the community is within the Board of Trustees District 1.

The City of Clear Lake Shores has a very wide diversified group of residents who share a love of living by the water in a unique coastal island community. The island has many community events throughout the year, including Jammin' on Jarboe, children's fishing derby, golf cart parades, holiday functions, community dinners, and nightly sunsets at either one of our beautiful parks.

The City of Clear Lake Shores wants to encourage citizens to obtain their CLS vehicle stickers that allow residents to re-enter Clear Lake Shores in the event of an evacuation, storm damage, and debris cleanup. As a reminder, the stickers limit immediate access to residents, first responders, and recovery crews.

The CLS vehicle stickers are available at City Hall, 1006 South Shore Drive Clear Lake Shores, TX 77565. To obtain them, residents must fill out the Resident Sticker Application Form, and return it to City staff during regular business hours, Monday - Thursday from 8:00 a.m. to 5:00 p.m. and Friday from 8:00 a.m. to 12:00 p.m.

You can download the form online at www.clearlakeshores-tx.gov/Vehiclesticker, or you can obtain it at City Hall upon arrival.

GOLF CART COMMUNITY

A GOLF CART COMMUNITY

Clear Lake Shores is a great place to enjoy a golf cart ride. Residents and visitors use this method of transportation to explore our city and be part of our unique festivities. Here is a list of things you should know concerning safety and rules and regulations while using your golf cart:

- A golf cart is a motor vehicle designed by the manufacturer primarily for use on a golf course.
- TxDMV does not title and register golf carts, but they must display a license plate when operated on roads authorized by the city or county. The city of Clear Lake Shores currently does not require a license plate. However, a license plate is required if you travel outside the city or to cross a State highway, such as FM2094.
- To obtain a license place, take the following to your county tax assessor-collector's office:
 1. Form 130-U
 2. Evidence of ownership
 3. Remember: While golf carts don't require insurance to register them, they do require insurance to be operated on the roadway and you must carry the insurance with you!
- Golf carts may be operated on roads with a speed limit of 35 mph or less, during the daytime.
- Golf carts may be operated only by persons with a valid driver's license.
- Golf Carts must have the following minimum equipment: Headlights, tail lights, reflectors, parking brake, mirrors, and slow-moving vehicle emblem if operated on the roads at a speed of 25 mph or less.

These regulations also apply to ATVs, ROVs, and UTVs. You can find the guidelines for golf carts and other low-speed vehicles at www.txdmv.gov under the unique vehicles tab.
